

## Emotion

Dancing energy in boundless motion,  
Timeless beauty,  
Nameless joy,

Strong and clear is lifes creation,  
I am with dolphins in the ocean:

Flying in the water above and below,  
Aligned in between matter and soul.

Holy wings are gliding,  
Narrow ways are widening,

Taking off beyond physics,  
Soaring high on spheric music.

Emotion I set you free,  
You are in guidance,

You can ever see,  
In depth of silence.

You are all pure and right,  
In the hearts divine light.
